Dear NSECC Family Member,

Welcome to the North Shore Early Childhood Center, Inc. family. We are pleased that you have chosen to enroll your child at an early childhood center facility that offers both a nurturing atmosphere for young children and programs that will help your child develop a love of learning.

North Shore Early Childhood Center is a non-profit organization governed by a Board of Directors which consists of both parents and non-parents of children enrolled at the school. Each Director brings a set of professional skills to the Board in order to ensure that the Center remains a healthy, dynamic organization that can support its staff, teachers, and students.

We believe that parents are partners in learning and encourage you to become involved in the life of the Center. Our Parent Action Committee (PAC) is a wonderful place to meet other new parents, organize activities for the families, and fundraise to support North Shore Early Childhood Center programs.

Our newsletter, sent via email to all families, is a great way to stay informed about your child's activities for the month and keep up-to-date on any supplies needed for upcoming lessons. As you will soon learn, we love to celebrate all of the holidays, to enjoy the fruits of all the seasons, and to learn and grow throughout the process.

Our program is licensed by the Office of Children and Family services. We meet the highest standards in early childhood education, and for that we are extremely proud.

Any day is a good day to stop in to the office to ask for information or discuss your child's experience in the classroom.

We look forward to seeing you soon.

Warmest regards,

Teresa Colamarino
